NARRATIVE:

Reebers has an extensive adult criminal history that began at the age of 33. His convictions include inflicting corporal injury on spouse, exhibiting a deadly weapon, possession/mfg/sell dangerous weapons, robbery, transporting controlled substance, possession of controlled substance, and failure to appear. Reebers has served multiple state prison terms the longest a five (5) year term for robbery. Reebers was released from state prison to the supervision of the Los Angeles County Probation Department on November 24th, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109), the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2013 after he absconded from post release community supervision (PRCS). Reebers qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for the charge of possession of controlled substance meets the criteria for PRCS under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
